

2019 PROTEST FORM

All protests must be received or postmarked by June 1, 2019.

VALUATION INFORMATION: Your property was valued as it existed on January 1, 2019. The value of residential property is based on the market approach to value. Data from prior years (up to a period of five years preceding June 30, 2018) may have been considered if base period data for that property subclass was found to be insufficient.

ALL PROPERTY TYPES (Market Approach)

The market approach utilizes sales of similar properties from January 1, 2017 through June 30, 2018 (the "base period") to develop an estimate of value. Colorado Law requires the Assessor to exclusively use the market approach to value residential property. Have similar properties in your immediate neighborhood sold within the base period?
