Dear Potential Candidate,

Thank you for wanting to serve your local government and community! The Clerk & Recorder's Office has placed items on [gilpincounty.org](http://gilpincounty.org) to help you with the beginning steps for running for office. It is a multi-step process to become a candidate.

You will need motivation and tenacity to run for the open office. You, as the candidate, are responsible for your own success or failure. You will need to find out as much as possible about the position you wish to fill and if you have the needed skills. Elected officials of the county serve the people and these jobs are not part time jobs. All Gilpin County elected offices (Clerk & Recorder, Assessor, Treasurer/Public Trustee, Sheriff) hold an 8+ hour business day and a paid a salary.

Do you have what it takes to serve the public? Can you meet the time and job requirements as an elected official? If your answer is yes, please come and visit with the Gilpin County Clerk and Recorder to learn more! Ask for Sahari McCormick at 303-582-5321 or email [smccormick@gilpincounty.org](mailto:smccormick@gilpincounty.org) for an information packet.
